AUCTION DONATION 2018

Dear Friends and Neighbors,

In March 2018, PS 163 will host its annual Spring Party and related online auction on Bidding For Good (www.biddingforgood.com/ps163).

We are looking for community support to make this event a success. This event is a celebration of our school, the surrounding community and is our primary fundraiser of the year. Please consider supporting PS 163 through your donation of goods or services. Your contribution is an investment in the future of our children!

PS 163 is a PreK-5 elementary school located on 97th Street between Columbus and Amsterdam. The school provides a quality education to over 600 students. We are a thriving NYC public school with a dedicated team of administrators, teachers and parents who have created a robust educational community. It is increasingly important, given recent budget cuts, that we raise additional funds to support our school. All auction proceeds will help fund our parent-run library, weekly dance and movement programs, chess classes and much more.

Please direct any donation to:
